Delivering success together

Thursday 3rd November 2016, Event City Manchester
Registration opens 8am. Main event 9.30am - 4.30pm

The Nuclear Decommissioning Authority (NDA), in association with the Site Licence Companies (SLCs), invite you to 'Deliver success together' at their sixth annual event. Entry is free of charge to delegates with a small charge for exhibitors requiring equipment and electricity.

THIS YEAR'S KEY HIGHLIGHTS INCLUDE:

- Speakers from the NDA and Ministry of Defence
- Opportunities to meet 'buyers and sellers' from the NDA Estate and other Government Departments, including the Ministry of Defence's (MOD's) Defence Equipment and Support and Submarines Operating Centre
- Annual awards presentation to recognise suppliers who collaborate, innovate and go that extra mile
- Networking opportunities

A key aim of the event is to encourage greater visibility of opportunities for all our supply chain, and particularly for SMEs. This is in line with the Government's aspiration for all public organisations to provide wider access to their markets for smaller businesses.

Innovation zone co-sponsored by

Innovate UK

CLM and PEINTA will be present at the upcoming NDA event in Manchester the 3rd of November.

Do not hesitate to stop at our booth J1. We will be happy to better inform you on the Energy division, our current success and give you fresh news from our 2 designers-manufacturers.
